SUBJECT: SSCI Approval of FOIA Designations

1. On 28 March, I received a call from Gary Chase, Majority Staff Counsel to the SSCI. Mr. Chase informed me that the SSCI had approved the Director's decision designating certain operational files of the Directorate of Operations and Directorate of Science and Technology as exempt from the FOIA. Mr. Chase also stated that a letter to this effect would be sent to the Director in the near future. I informed Mr. Chase that the designations would become effective as soon as we received HPSCI's concurrence. Mr. Chase had no objections to this procedure.
